Highlights

100% Ceramic Grinders

Our ceramic grinders never overheat, ensuring perfect grinding, long-lasting performance and totally silent operation

Quick-heat boiler

Our heating boiler technology is super-fast, allowing immediate brewing of each cup of coffee, one after the other.

Classic milk frother

Unleash your inner barista, preparing your delicious milk specialities the traditional way guaranteeing a gorgeous foam.

Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length and strength. Pressing a button is all you'll need to do to enjoy a superb beverage in your favourite cup.

Adjustable spout height

The right temperature and no splashing thanks to our adjustable spouts, which always guarantee the perfect distance between them and your cup.

Dishwasher-safe drip tray

You can safely put the drip tray and integrated carafe in your dishwasher, giving them a perfect time-saving clean.

Adjustable grinder

5 adjustable grinding preferences, from the finest for a full-bodied espresso to the coarsest for a lighter coffee.

One-click removable group

The brewing group – a Saeco invention - is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.
